## LIVE IN A LARGE GARDEN

Discover a place where you can enjoy the peace and tranquillity of nature without compromising on facilities. The Jardines de Alhama apartments are a reality within your reach and which you can start to enjoy right now.

This is a completely pedestrianised Resort, with a wide variety of plant life, cycle lanes, swimming pools and a large, open area for relaxing and taking in the beauty of nature. The properties, built around park areas, blend into their surroundings perfectly.

## CLOSE TO BOTH THE SEA AND THE MOUNTAINS

The properties at Jardines de Alhama Golf Resort are found in unbeatable surroundings, with three magnificent golf courses and only a few minutes from the sea and the mountains. All this in Murcia, one of the regions with the most days of sunshine per year, an average annual temperature of 21° and 250 kms of coastline belonging to two seas: the Mar Menor and the Mediterranean.

# Condado de Alhama

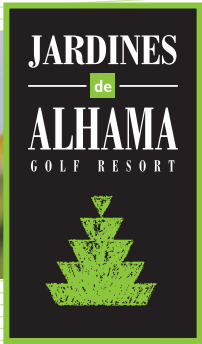

CONDADO  
de  
ALHAMA

Condado de Alhama is a place for relaxing, for comfort and fine living that defines a new concept in lifestyles for residential areas. It is a unique area of 9,000,000 m<sup>2</sup> where you'll be able to find your own private retreat, while still enjoying the comfort provided by extensive and open surroundings.

The wide variety of services available, including education and health services, defines the independent character of this residential area. For sports fans and professionals alike Condado de Alhama provides an unbeatable backdrop for their favourite activities. There is a wealth of sports facilities, including three Jack Nicklaus Signature golf courses, two of which are Bear's Best.

# Jardines Apartments

## Perfectly integrated into nature

The properties in Jardines de Alhama are arranged in white two-storey buildings of traditional architecture. The design invites residents to live a truly Mediterranean lifestyle and enjoy the outdoors in the lush gardens and wide open spaces.

The 2 and 3 bedroom properties are well-distributed inside and the terrace and garden of the ground floor properties and the solarium terrace of the upper floor properties bring nature and architecture together.
